Issue #15

Dean, Mr. Justin Koomler

Counselor, Mr. Lewis Richardson

Principal Secretary, Ms. Cheryl Colbert

Registrar, Mrs. Erica McWright

Principal Simmons Says...

Next Friday, we will be completing our third grading period of the year. Students will receive their report cards Friday, March 9, to bring home. CIA students have been very productive! We are wrapping up the first round of ISTEP, ISTAR and WIDA testing. Our students have worked very hard to complete the task with perseverance, determination and logical thinking. Teachers have been conscientious and thorough in their instruction and preparing students for standardized testing success. I am proud of everyone's efforts.

If you are like me, I know you couldn't be more ready for spring weather. Our two week spring break is just around the corner for students and teachers to unwind from their typical routine. In the mean time, students will be engaged in targeted instruction, integrated digital content, and analyzing their personal data in order to set academic goals for their achievement. Please remind your student to follow CORE expectations of Civility, Order, Respect and Excellence. Our teachers continue to work hard to provide excellent learning opportunities for your children as we Educate Students Today to Become Leaders of Tomorrow.

REMINDER FOR STUDENT EARLY RELEASE:

Students leaving early during the school day need to have a note signed by the parent or legal guardian stating the time of pick-up and the person signing the student out. This note needs to be given to the teacher in the morning on the day of the early release. By sending a note, the teacher has a heads up, and it allows for the student to be prepared for early pick-up. For security reasons, please do not ask that your child be called out of the classroom prior to your arrival and signing them out. Remember, photo ID will be required when signing a student out during the school day. Plan on arriving in time to meet your appointment needs and the school's procedure for early releases. We appreciate everyone's cooperation in helping to keep our CIA students and staff safe.

Chartwells wants your feedback completing a survey to make your child's lunch experience more enjoyable! Please type this link into a computer, smart phone, or tablet to answer the survey questions and give us your responses. Thank you!
