Dean of Student Highlights

SIA had a few students volunteer their Saturday morning to help those in need at the Sonny Day Community Center. They worked together to help provide food, drinks, other essentials to Warren families around the district. SIA is proud of the hard work these students put in and thank them for being an exemplar model, showing others what CORE looks like at SIA!

BOYS & GIRLS CLUB

Last week we engaged in a lot of sports and fitness driven activities. The members made their own t-shirts or jerseys to play in a flag football tournament. Those members who chose not to play made their own cheers and chants for the two teams. We also had fun activities such as Basketball Tic-Tac-Toe. Members were challenged to attempt three basketball shots, the first one to make it got the opportunity to answer a math or spelling question. When the question was answered correctly the member put their team's bean bag on an "X" or "O" in the tic-tac-toe ring. Next week is Fine Arts week, members will participate in impromptu acting. As you can see it's always something going on at the

Boys & Girls Club of Indianapolis Stonybrook Unit!
