I understand that my Firefighters Credit Union loans must be current and in good standing for this offer to be valid. Current and in good standing include, but are not limited to, no more than one (1) occurrence of delinquency greater than thirty (30) days within the past six (6) months as of the date I request a payment deferral, no negative share account, and no loans greater than ten (10) days delinquent as of the date I request a payment deferral. A payment deferral may not be requested for my first (1st) loan payment using this Skip-A-Payment program.

Firefighters Credit Union will notify me if the requested deferment cannot be granted for any reason. I understand that by requesting a payment deferral it will extend the term of my loan and interest will continue to accrue during the deferment period.

For payments that originate from another institution, the loan payment will be deposited into my primary share savings account. I understand that if I have established scheduled transfers using FIREnet Internet Account Access, I am required to temporarily stop the payment for the deferral month I choose.

This skip a pay program is not applicable for Conventional 1st Mortgages, H.E.L.O.C.'s, Line of Credits, Overdraft Loans or Visa® Accounts, CD Secured Loans and Loans that the interest rates exceed 18% or 84 month term.
