

# Faux Wood Blinds

## wonderwood® Faux Wood Blinds

The Wonderwood Faux Wood Blind NFPA 701 rating provides an economical and flame retardant faux wood solution for healthcare, restaurant, educational and office design. The collection includes 2" slat size in 14 whites and 7 naturals. The 2 1/2" slat size is available in 5 whites and 4 naturals.

Two Wonderwood valance choices, Standard Valance or Deluxe Valance, provide a complete solution. A rectangular bottom rail provides a clean appearance at the sill. Cord tilt is standard while wand tilt is a no charge option.

Wonderwood Faux Wood Blinds have a Lifetime Limited Warranty.
