

Aluminum Blinds

classic collection™ Aluminum Blinds

Classic Collection Aluminum Blinds offer a comprehensive selection of headrail types for all types of commercial use. Both .008 gauge and .006 gauge slat thickness are available to match specifications. Three slat sizes, 1/2", 1" and 2", in a broad color selection guarantee that the blinds can be used in a variety of commercial settings.

Echelon is the top of the line curved headrail; Integra is the budget-friendly beveled headrail; Traditions is a compact 1" x 1" headrail and Metro is a low profile headrail for 2" blinds. A commercial headrail is also available in White, Antique White and Black.

The Accu-Rise® cordless child safe lifting system is available on both Echelon 820 1" blinds and Metro 2" blinds. In addition, both battery operated and RF motorization are available for the utmost in child safety or for hard to reach windows.

All Classic Collection aluminum blinds have a Lifetime Limited Warranty.
