

April 30, 2019 7:00 P.M. Vestry Meeting Minutes

Rev. Patricia Alexander was interviewed by the Vestry. After the interview, Rev. Alexander left, and the Vestry discussed the interview and gave opinions. Opinions were universally favorable. A motion was made and seconded to call Rev. Alexander to be the Rector of St. Dunstan's. All votes were for the motion. It was agreed that Carl would call Rev. Alexander to inform her of our interest and that Carl would follow the phone call with an email. Then a letter would be drafted to call Rev. Alexander to St. Dunstan's as Rector. In the meantime, the Vestry was asked to maintain a "code of silence" until a contract has been signed. It was suggested that the EDOW website on transitions be consulted for a model of a call letter.

There was some further discussion of what would be desirable in the way of a starting date. It was agreed that Rev. Alexander needs some time to wind up her present position and take some personal time, but that August 1st would be a good start date.

Respectfully submitted,
Donna Alvarez
