

TotalCare® is the brand name of our flagship services offering

Our premium service, providing trusted risk transfer for as long as you need it.

- TotalCare is much more than just an engine maintenance (off-wing) plan. It's a service concept based upon predictability and reliability.
- TotalCare covers predictive maintenance (off-wing) planning, workscope creation and management plus off-wing repair and overhaul activities. TotalCare transfers both time-on-wing and shop visit cost risks back to Rolls-Royce.
- Building on the leading knowledge (50 years), experience (250 million flight hours), and infrastructure provided by Rolls-Royce engines under TotalCare see operational benefits ranging from:
 - increased time on wing
 - access to OEM knowledge and problem solving capabilities
 - reaching a higher efficiency in asset utilization

– These culminate to give a reduction in operational disruption, and thus provide a more reliable service

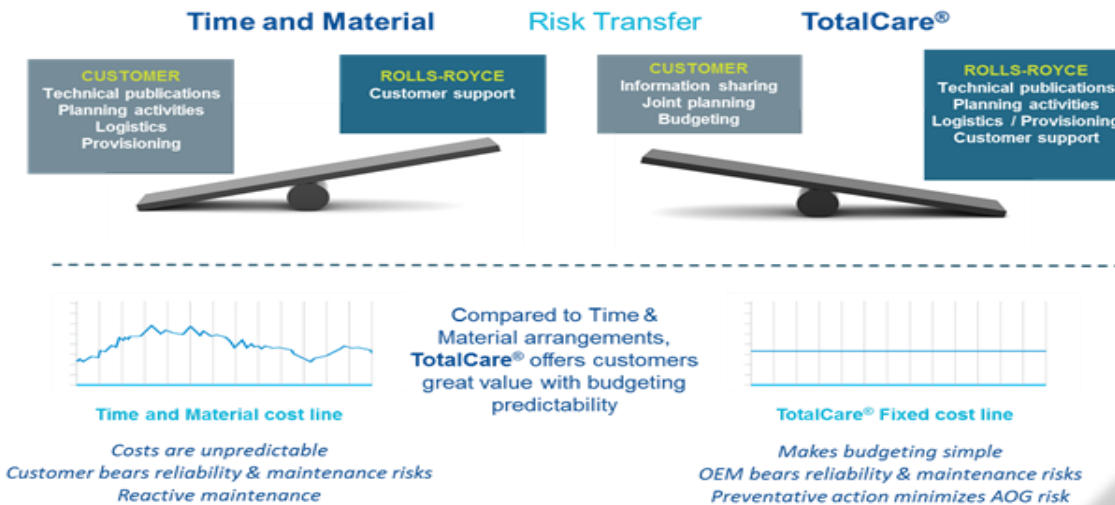

*Creators of the
revolutionary
"Power by the
Hour®" concept*

By choosing TotalCare, you will experience:

- **Fixed cost engine maintenance** - Secured cost of operating and maintaining your Rolls-Royce engines via a \$/engine flying hour payment mechanism. Provides predictable costs over the life of the agreement and covers all aspects of engine maintenance and management
- **Reduced management burden** - Fully integrated service - you concentrate on running your business, while we take care of your engines.
- **Enhanced aircraft resale value** - fully transferable with the aircraft, therefore increasing its residual value
- **Transfer of financial risk** - Covers the cost of all Engine parts and labor when The time comes for the engine to be sent to an authorized Rolls-Royce Overhaul facility. The cost of parts and labor for mandatory bulletins, as well as unscheduled shop visit costs for qualified events is also covered. It also covers the replacement of Life Limited Parts. This comprehensive coverage permits accurate budgeting based on each operator's forecast utilization.
