FALL BREAK- NO SCHOOL	10/8- 10/10/20

Robin's Corner: Next week will be a busy and important one at the Ridge. We have Grandparents Week and each day a different grade level will host their grandparents and perform an amazing show for them. The Book Fair will be open all week and we will finish up selling spirit wear. Make sure if you want to order shirts or sweatshirts with the Eastridge Rocket that you turn the order form and money by next Friday.

We currently have our candle fundraiser going on. The proceeds will help fund our fantastic CORE carnivals and celebrations for our students. It helps purchase materials for students and field trips. So we really need your help. Please sell just a few items and help our school fund fantastic opportunities for our students.

Speaking of amazing opportunities. We had a terrific CORE carnival and an above and beyond celebration too. Thanks to the staff for planning these experiences!

Tuesday, students will not attend school and parents will be coming to class. Parent Teacher conferences are such an important part of what we do here. It is the team effort that makes our school a success. You might be wondering what you can ask at the conference. I listed a few possible questions you can ask and you can certainly bring your own. I can't wait to see you next week.

Ask Important Questions

Don't be afraid to engage in a frank conversation with your child's teacher. Your goal is to develop an action plan for your child's success at school. Good questions to ask the teacher include:

- What are my child's strengths and weaknesses.
- How does my child get along with classmates?
- Is my child working up to her ability? Where could she use improvement?
- What can we do at home to support what you are doing in the classroom?

Indy DO Day!

Thursday, September 28th, 2017 the entire city of Indianapolis participated in a civic engagement initiative to bring awareness to anti-littering with a personal commitment to our city.

Groups throughout the city participated in the anti-littering initiative (by either picking up litter or raising awareness through artistic expressions) and a social media blitz by chalking up #ItsMyCity to show off their participation.

Some of our EA students who have exhibited CORE since the beginning of school accepted the challenge and used their own artistic expressions to “Chalk it Up.” The students and staff at Eastridge were so excited to join in this activity with our community! #SayNoToLittering

This weeks, “You can Quote me on that” quote is: “Dreams and dedication are a powerful combination.” William LongGood
