Welcome Back!

Wow! What a week. The kids look like they have been doing this for months now. The hallways are filled with smiles and classrooms with learning. Lunches are being eaten and recess is being played! Back to School Night was a great success and I cannot wait for our first family night of the year. Math night will be August 17th. Mark your calendars now. Warren Township

offers so many activities for our students. Scouts, baseball, football and so many more. We will send notification in our newsletter and flyers and I hope you can take advantage of many of them. In order to keep you in the know of all the opportunities and events, I will be communicating via email. Please send me your email address at rlclair@warren.k12.in.us and I can add you to the email list. I also contact parents via a text system called Remind. Text @06a78 to the number 81010 to sign up for my text list! Mrs. Johnson, our Dean, and I are available for questions and concerns. Please reach out to us anytime.

CALLING ALL SUPER READERS!

Library book checkout begins next week! We have many new and exciting books for you to read. Parents, please help your child be responsible with their library book. Please

help them get into the habit of putting their library book into their backpack when it is not being read. That way their library book should always be at school on library day. If your child has a library book still out from last year, please help them find and return it or pay for it so they can checkout a new library book. This is going to be a super year! Let's get **READING!**
