Eastridge Elementary THE CAPSULE

Mrs. Johnson's Journal

This week we did practice ISTEP testing in order to get our brains ready for the real deal on Monday! Next week will be a really important week for our 3rd and 4th graders due to testing, but an equally important instructional week for ALL students. Parents, it is extremely important that ALL STUDENTS, especially testing students be here and ON TIME for school next week. We know next week will seem like a long week for students so it is also important that students get plenty of sleep each night so that they come to school rested and focused for testing.

Congratulations to our WCHS Girls Basketball Team. They will play Zionsville in the IHSAA State Championship Game for the first time since 1984 on Saturday, February 24th at Bankers Life. Tip Off is scheduled for 8:15! Today the staff at EA supported the team by wearing black and gold!

COUNSELOR'S CORNER

This week in the counselor's office has been busy!

Here are some highlights:

- groups - we have been talking about our brains and keeping them calm!
- lessons - talking about anger and coping skills
- parent advice - As ISTEP testing approaches, make sure your students are getting plenty of sleep and healthy foods! Encourage them to try their best and to not give up even when it seems hard. We are our children's/student's greatest advocates! :)
