Eastridge Elementary

THE CAPSULE

Mrs. Johnson's Journal

Greetings Eastridge Families,

We are very proud of all the students' attendance this week and last. We are at 97%, which is the district expected average. Please continue to send your students to school every day on time. As a friendly reminder, our school day begins at 8:30 AM and dismissal begins at 3:30 PM. In an effort to keep students in the classrooms learning we will not call students down to the office to wait for an early release.

Our third and fourth grade students showed great stamina during the ISTEP+ testing sessions. We have officially completed ISTEP testing!!

The Harlem Wizards are coming to Warren Township for a fun-filled evening tonight, April 27th at 6:30 PM. Tickets at the door are \$10 for students and \$12 dollars for adults. All tickets are sponsored by the Warren Arts and Education Foundation. This exciting event will take place at Warren Central High School in the varsity gym.

WE ARE A COMMUNITY

Don't miss it! It's going to be GREAT! The **WIZARDS** are coming to town!

Wizards vs. Warren Wonders

Warren Central High School, Varsity GYM, door #25—\$10/student, \$12 adult

Friday, April 27—6:30 pm

Watch the Harlem Wizards as they take on our teachers and community members! This Slamtastic community event is hosted by The Warren Arts & Education Foundation. This is not a drop off event. K-6 students must be accompanied by an adult.

Art to Remember

A letter from Mrs. Branham about Art to Remember orders:

The art to remember orders were turned in last Friday to the ATR company. Sorry for the delay, there was an issue with an order that took a little while to resolve. Art to Remember is located here in Indy, so I am expecting our products in about two to three weeks. Thank you for your patience and that you for your support.

Mrs. Branhan, Art Educator

**Mother's Day Flowers**

Student Council is taking orders for Mother's Day flowers. Students can buy a flower for only \$1. Mother's Day greetings can be sent to your mom, grandmother, aunt, teacher, or a special person in your life. *Forms are available in front office.*

COUNSELORS CORNER

Hello families! It is getting warmer out there, Spring is so close! After a busy and successful few days for ISTEP, this newsletter is all about SELF-CARE! For both students and parents!

- ◆ Get outside and take a walk around your neighborhood or a park, fresh air is AMAZING for your mental health!
- ◆ Watch a favorite TV show or movie as a family! Quality family time is needed!
- ◆ Make slime together! With the popularity of slime taking our kids by storm, take a Saturday afternoon and make slime together and see how cool you can make it!
- ◆ Play a sport together! This can help build teamwork and good sportsmanship skills.
- ◆ Practice mindfulness outside: take a moment to walk around and notice the different sounds around you or take drawing materials and draw a favorite nature scene with your family!

This week I have noticed that MANY of your students are identifying when they are in "dino" brain or "front" brain, which is AWE-SOME!! Keep encouraging your students to use their coping skills to help with getting out of "dino" brain! Also, remember that your student can use coping skills to keep themselves calm and out of trouble...and when your student is calm it is MUCH easier to accept consequences if needed.
