

# Eastridge Elementary THE CAPSULE

## Mrs. Johnson's Journal

Greetings Eastridge Families,

It is time for all students to return their library books. Notices have gone home for overdue and long overdue books. There are no fines for books returned in good condition, no matter how late they are-even if they are from last school year. Please help your child check around the house and in their book bag for library books.

Now that the weather is getting warmer I would like to remind everyone of our school dress expectations. Students' dress and appearance are the responsibility of the family. It is the school's goal to ensure that the learning environment is not impacted by a student's clothing or appearance.

- Shorts, dresses, and skirts should follow the finger-tip rule. These clothing items should be longer than the student's finger tips when his/her arms are by the side.
- Midriff or spaghetti strap shirts should not be worn
- Sleeveless shirts must be worn over a collared shirt
- Hats, caps, and head coverings are permitted, but they must be worn outside the building except on "special days"
- No open toe or back out shoes

Finally, our all school field trip to Incrediplex is approaching fast. Please make sure your child's permission slip and money is returned by Wednesday, May 23rd.

I hope you all have an enjoyable weekend and I will see everyone on Monday morning!

**COUNSELORS CORNER**

Favorite student quote of the week: "Hey Philly, you look fresh today!"

I love when students offer compliments. I have been working in a few classrooms on the importance of showing respect to each other. I encourage you to IN YOUR CONVERSATIONS AT HOME to help your student offer compliments when appropriate to other kids! I tell students that sometimes a compliment can brighten someone's whole day! It certainly brightens mine!

Parent Reminders:

1. If your student would benefit from Camp Erin, a bereavement camp, please see registration at the following link: <https://www.ecommunity.com/camp-erin-indianapolis/for-campers>
2. As summer gets closer, work with your students on productive ways to spend the time off! I recommend getting outside, playing with friends, and/or a summer camp?
3. Lastly, I am happy to answer any questions and concerns you may have for your student in the upcoming year! Please reach out!

ALSO! I will be sending out two more newsletters this year. Next weeks will be a small list of local summer programs your student might be interested in and the last one will be counselor office changes/plans for next year!

Stay tuned! :)
