Eastridge Elementary THE CAPSULE

Mrs. Johnson's Journal

Dear Families,

We have a lot to be proud of at Eastridge and across the district. I would like to extend an invitation to our Eastridge families to attend the first District Community Dialogue. This community dialogue is an opportunity for our stakeholders to hear about and provide input regarding the future of Warren Township. This first community dialogue will be held at Creston Intermediate / Middle School, 10925 E. Prospect, March 5th from 6:30 - 7:30 PM. As you know, our school is a feeder elementary to Creston Intermediate and Creston Middle School. This dialogue will allow you to visit Creston and meet the principal of each building. If you are not able to attend, there will be additional community dialogues in April. This is an exciting opportunity to learn about the amazing educational experiences happening at Eastridge and around the district. Hope to see you all there!

COUNSELOR'S CORNER

-Hey families! I have been noticing a lot of students who feel picked on, left out, often leading to arguing, tears, and hurt feelings. I hope to spread a culture of love and appreciation for ALL our students. Encourage your students to BE THERE for each other. And when they have classmates that; look at them, mess with them, say hurtful things, YOUR student must still be there for them. Students carry a lot of sadness and anger everyday with them to school. It is up to us (faculty AND students) to BE THERE for everyone.. letting someone know you are there when they need someone is so powerful! Take a moment this weekend to talk to your child about the importance of being there for their classmates even when it seems the hardest thing to do.

-Stephen Phillips, School Counselor
