Late Arrivals

Students are considered TARDY if he/she is not in the classroom when the tardy bell rings at 8:40am and should be escorted into the building w/ a PARENT. Tardiness causes classroom confusion, disruption and delay. Learning the value of being on time is an important part of each child's social and educational growth. We want students to get 100% of their learning time and we need YOUR help!

THANKS FOR COMING TO MATH NIGHT,

AND THE SKATING PARTY!

WE HAD A BLAST!!

Guess What?- Attendance rate for 17-18 is 96.73%. We have had FOUR referral free days this year.

Robin's Corner :We survived... The Solar Eclipse and the 4th full week of school! Thank you for all you have done to make these first weeks successful. In an effort to make our school the very best it can be, I have been doing some research on effective schools. I have come across some consistent research that connects student success with attendance rates. I want to thank you for making sure your student is at school and on time each day. It really does make a difference. A recent study that tracked students from **kindergarten** through high school found that **dropout patterns** were linked with poor attendance, **beginning in kindergarten**. I am happy to celebrate that as of today, we have 285 students who have missed 0 days! We have no students who have missed 10 or more days. That is a celebration so WOOT WOOT to all of you for helping to get students here and on time. Our current attendance rate is **96.63%**. The state benchmark is 97% so we need to stay on the course for this goal. We know there are times when students have to miss. When students are ill, we encourage you to keep them home. But, whenever they are able we want your student here. We will begin having drawings for kids who are here and on time every day for some great prizes. Horace Mann will be sponsoring some of these prizes! Thank you for all you do to make our school and our students successful. #WARRENMATTERS

**Wednesday marked our first day of CORE shout out! We also had our first CORE students of the week. One student for every adult in the building was chosen for showing OUTSTANDING civility. Ask your child if he/she was chosen!
