Robin's Corner:

Thursday night will be our annual Family Literacy Night. At 6:00 we will have our IREAD parent meeting followed by some engaging literacy activities beginning at 6:30. The IREAD test for our 3<sup>rd</sup> graders is a high stakes test. Even though it seems so far off, it will be here before we know it. At our meeting we will offer some tips for supporting your students at home, and talk to you about the things we are doing here at school to prepare students for this test. The Literacy Activities from 6:30-7:30 will be fun for all ages and I know our students will have a great time. So mark your calendars and make sure you can all come out to join us Thursday for some fun and engaging family time!

During the month of September we will be having attendance drawings and awarding prizes to students who are here and on time every day! At the end of the month we will have a grand prize drawing for a \$25 gift card. School attendance has a strong impact on student achievement and overall success in school. I am pleased to have the opportunity for us to work together to make sure our students are at school every day and get the best of what Eastridge has to offer.

September 11th is a day that we will never forget. Through such a tragic event, we learned that America is more united than divided. One of the worst days in history brought out some of the best in people. Life is precious and so are YOU. I hope in remembering 9/11 we can honor the lives lost by showing more love and more kindness to others. What a great way to honor those who have gone on before us. United we stand, divided we fall.

"If we learn nothing else from this tragedy, we learn that life is short and there is no time for hate."
