11/17/17	Donuts w/ dads Grades 3-4; 7:45AM

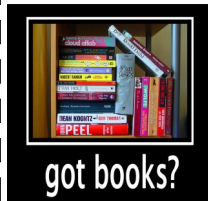

Robin's Corner:

We have had some great events over the past 2 weeks. With Eureka Week really showing how kids are thinking like mathematicians, a skating party and tonight's Boss Baby Movie Night we have had some real fun and great learning experiences. We couldn't do any of it without you. The school and home are the strongest of partners and we count on you to help us become the best school we can be. I always welcome feedback, suggestions and input for our school. The week of November 14<sup>th</sup> we will celebrate American Education week. The beauty of American Education is that it is a team effort of the school, families and community that make it successful. So watch for the ways we will celebrate that week and remember you are a part of your student's education and you are valued and appreciated. Thank you Mrs. Gately for the fantastic Latino Literacy Project that concluded this week. Thanks to the staff who came out to the skating party and for the staff that will make movie night a success tonight. Together we are making progress one student at a time! Remember next Tuesday is a PD day for staff and students will not attend school that day!

Robin LeClaire, Principal

News from the library:

\*Parents, please help your student show responsibility by returning their library book on time each week. At the end of this grading period, everyone who returned their library book each library day will get/or do something special for showing responsibility. Responsibility is one of our core values.

\*If your student has lost or damaged their library book it needs to be paid for before they can checkout a new library book. Please make sure you look for the library book before you send in payment.

# Are YOU in the know?

Next week, Monday, November 6th we will start a competition to see which class can collect the most coins. One class from each grade level (with the most money) will win free gym time. The class that raises the most money overall will win a pizza party. All of the proceeds will go towards our C.O.R.E. carnivals and celebrations. Students can bring coins (and bills too) into their classroom for their teacher to collect and put into a jar. May the best class win!
