Robin's Corner:

WELCOME BACK! WE had an amazing week back and I am so excited about our community garden. Students and staff had a ball planting and really getting our hands dirty while learning about how to bring food from "garden to table". All year we will grow different edible plants that we will use in classrooms and the café as well as having the garden open to the community. Come see our garden and please let us know if you would be willing to help us out with it!

Next week will be exciting for our students with some celebrating Halloween at home. Please remember that we do not celebrate at school and costumes and candy should remain at home. We appreciate your help with this as we seek to maximize our instructional time. We will have some fun here next week as we celebrate EUREKA week. Eureka is our math curriculum and our students and staff will have some fun celebrating learning math and solving problems.

Next week we will have our Skating Party Weds. Night and our Movie Night on Friday. We will have our PTA Board meeting during movie night. I hope to see you all soon at one of our many fun activities. Have a great weekend!
