**Are you practicing C·O·R·E· ?**

- C· civility
- O· order
- R· respect
- E· Excellence

How you are walking in the hallways? Do you listen and respect your teacher and classmates? Do you follow directions? All of these things give students the chance to practice C·O·R·E· We expect all of our students to exhibit their best behavior both inside and outside of the classroom. We encourage parents to speak to their children about practicing excellence and doing their very best. Students will be recognized for exhibiting C·O·R·E· and may be awarded C·O·R·E· cash. C·O·R·E· cash can be used throughout the year during our C·O·R·E· celebrations and carnival. We look forward for the chance to recognize YOUR child throughout the year - Eastridge Staff

**ROBINS CORNER!**

Thank you to all who came out to our Family Math Night and PTA recruitment night. We had a great time and it is always wonderful to see our families and students having fun with Math together. As you may have heard, there is a major astrological event Monday with the Solar Eclipse. We are lucky to have one in our lifetime and to be able to share the experience without students.

Due to the dangers of looking at the eclipse, we will be live streaming and watching it on a screen and not outside. This is such a unique event and should provide lots of opportunity to discuss with your kids at home. Here is a link to learn more about the eclipse in case you want to be able to have some great conversation about what it is and what to expect.

Included in this

newsletter is a link to a survey for school improvement. It is my greatest wish that Eastridge becomes a school that is a true partnership between staff, students and families. By filling this form, you will help identify needs and strengths of our school so that we may better serve you. Thank you so much for taking the time to do this survey and help make our school the best it can be.
