Eastridge Elementary THE CAPSULE

Mrs. Johnson's Journal

Greetings Eastridge Families!

On Saturday, April 7 at 9 a.m., the Warren Community along with Mayor Joe Hogsett, will host a parade to celebrate our Warren Central champions. The parade is set to begin at 975 N. Post Road, heading up Post Road to 21st Street, 21st Street to the Indianapolis Public Library – Warren Branch, and end at Warren Central High School. The parade will be followed by a community pep session at 10 a.m. at the the high school. I hope to see you all there!

We have had a great week back! Your child(ren) are ready to finish this quarter strong! This week we took time to review C.O.R.E expectations, dived right into 4th quarter curriculum, and along with the country engaged in activities to remember Dr. Martin Luther King Jr.'s legacy. As we continue down the path of learning, please mark your calendars for the final phase of ISTEP which will begin on Tuesday, April 17th and end on Thursday, April 19th. Our 3rd and 4th grade students will test each Tuesday, Wednesday, and Thursday during the two week period. Please make sure your child is at school everyday on time during the testing window, as testing will take place first thing in the morning.

The next Community Dialogue will take place on April 10th at the High School in the West Cafeteria. The start time is 5:30PM. This is a great opportunity for you to learn about the future of Warren Township Schools.

Have a great weekend!

-Mrs. Johnson

Welcome Back Families!
As we look towards Spring, a time of renewal and reset, it is important to set ourselves up for SUCCESS! Here in the counselor's office I am working with your students on ways to be successful with behavior and actions. I am still doing lessons that talk about your brain and how to calm it down when you're really mad.
Check out my YouTube video:
<https://youtu.be/UqfyHKbXkk>
Feel free to subscribe to my channel as well! I will be using YouTube to post counseling videos for your students to use at their convenience!

I also serve as the point person for our grief support group, sponsored through Community Health's "Healing Hearts." If your family has been affected by loss, please reach out to me and let me support you!

Advice for families: As it gets nicer out, get yourself and your student OUTSIDE. Being in the sunshine and warm breeze can do the mind and body a world of good! It also helps to get out there and see your city. A favorite place of mine is a downtown walk on the canal!
Thank you very much
