## COLTS PLAYERS PRACTICE AT WARREN CENTRAL H.S.!

Here are a few pics from the Colts Open Practice at Warren Central on Saturday, August 5th. These are the youth football league players that were chosen to greet the Colts when they arrived on Campus. Our Media Secretary, Ms. Hutchison, assisted with the event. We would like to congratulate the Grassy Creek students who were chosen to greet the Colts players; Nathan Byrd, Chase Byrd, Bo West, Kye West, Xavier Hoffman, Ricco McClaren, Akanni Sholar, and Isaiah Tracey. The student players were SO excited! They were able to escort players from the bus to the stadium, with some of them carrying the Colts players' helmets as they walked in. The students made a tunnel for the Colts to walk through to get to the field. It was an awesome experience!

## Grassy Creek Mission Statement

Grassy Creek Elementary empowers children to be lifelong learners and productive citizens in our diverse community.

## PRINCIPAL'S POINT:

Hello Prospector Families! It was another great week at Grassy Creek. Our students worked hard on their first NWEA assessments for the year. These tests give the teachers information on what next steps we can take to better personalize each child's learning. Help us congratulate your kiddos on a job well done! Also, we will send our first school-wide weekly phone message and email on Sunday night with reminders for next week. Do we have your email? If not, please contact the front office and we will get you added. Thanks for sharing your child with us!

### “MAKING A DIFFERENCE”

YOU can make a difference!! When you seek unique recognition for that special person, teacher, principal, volunteer, or neighbor who has made positive impact on you or your child's life, consider the “*Making A Difference*” program. With a donation of \$5 to the Warren Arts & Education Foundation, you may pick up a form from the office to help express your appreciation for someone who has positively impacted others. The \$5 donation will help fund a grant for a teacher to enhance their students' educational opportunities. The recognized individual will receive acknowledgement that you have honored them with a generous donation to the “*Making A Difference*” program.

### IMMUNIZATIONS

An exclusion has been set! If your child does not have up-to-date immunizations on file at school by September 18, 2017, they will not be able to attend school. Letters were sent home last week with students. Please contact your doctor or the health department as soon as possible. For any questions, call the clinic at 317-532-3105.

### BOXTOPS FOR EDUCATION:

Please save your boxtops from all General Mills products and Campbell Soup Labels and have your student turn them into their classroom teacher. Please shop at Target and Meijer, our community partners, and save your pop tabs for our Ronald McDonald House. Thanks for your help!

### NUGGET EMAIL LIST

In trying to communicate better with our families, we are making a Nugget email distribution list. If you are interested in receiving your Nugget by email instead of a paper copy from your student, please fill out the form below and send it to the school office.
