## Grassy Creek Mission Statement

Grassy Creek Elementary empowers children to be lifelong learners and productive citizens in our diverse community.

## PRINCIPAL'S POINT:

**Hello Prospector families! Our students worked hard on their first NWEA assessment this week. These tests give the teachers information on what next steps we can take to better personalize each child's learning. We also use this information to help set academic and growth goals for our school. Help us congratulate your kiddos on a job well done! We share specific information with you at midterm reports later this month regarding your child's results. Thanks for sharing your child with us!**

We've had a great start to our school year in Room #14 with Mrs. Hamlett!

## Civility, Order, Respect & Excellence

Bryan and Zaire play trains together—way to show CORE!

Rickie and Ezra show CORE during inside recess.

### IMMUNIZATIONS

An exclusion date has been set! If your child does not have up-to-date immunizations on file at school by September 17, 2018, they will not be able to attend school. Letters were sent home with your student last week. Please look for it in their book bags, folders etc... Please contact your doctor or the health department as soon as possible if you need to update your child's information.. For any questions, call the clinic at 317-532-3105

### VISION AND HEARING SCREENINGS

The Marion County Health Department will be at Grassy Creek to do the State mandated vision and hearing screenings on August 27th - 30th. First and third grades will have their *vision* screened and first and fourth grades will have their *hearing* screened.

### FOOD ALLERGIES

If your student has an allergy/sensitivity to any food, we need a note from the doctor stating the allergy and any related foods that the student may not eat. The doctor may fax a note to us at 317 532-3140. A new note needs to be sent to school at the beginning of every school year.

### BOXTOPS FOR EDUCATION:

Please save your boxtops from all General Mills products and Campbell Soup Labels and have your student turn them into their classroom teacher. Please shop at Target and Meijer, our community partners, and save your pop tabs for our Ronald McDonald House.

**Thanks for your help!**
