Immunization News from our Nurse

An exclusion has been set! If your child does not have up-to-date immunizations on file at school by September 18, 2017, they will not be able to attend school. Letters were sent home last week with students. Please contact your doctor or the health department as soon as possible. For any questions, call the clinic at 317-532-3105.

Flu Clinic for Students:

On September 12, 2017, HealthHeros will be at Grassy Creek offering free flu vaccines for our students. This is for currently enrolled Grassy Creek students only. For your student to receive the flu vaccine, a permission form must be fully completed and signed by the parent or guardian and then returned to the school before the date of the flu clinic. A letter with the permission form from HealthHeros was sent home last week with each student.

Medication

This applies to all over-the-counter and prescription medicines (cough drops, lotions, Tylenol, Advil, cough medicines, etc.)--All medication must be transported to and from school by a parent or other designated adult. **Absolutely no medication is to come to school in students' backpacks or lunch boxes!** When your child needs to take medication at school, you need to bring his/her own supply in the original bottle to school. Once at school, the parent/guardian will need to complete a permission form to allow us to dispense the medication at school.

In keeping with the Warren Township policy, any medicine that comes to school must remain at school until picked up by a parent or other designated adult. **NO MEDICATION WILL BE SENT HOME ON THE BUS.**

Teachers will be notifying families of the exact time shortly after. Parent/Teacher Conferences will be on Tuesday, October 3rd. We are looking forward to seeing you at Parent/Teacher Conferences. Thank you for arranging your schedule to meet with us. We are looking forward to 100% attendance.
