VALENTINE'S DAY TEA PARTY!

On Valentine's Day, Mrs. Carleton's class and Mrs. Hamlett's class had a special tea party. Boys served food from trays like waiters! We even had tea pots full of pretend tea! It was a fun day for all.

GC MATH BOWL TEAM COMPETES AT BROOKVIEW ELEMENTARY!

Our super GC Math Bowl team and Coach Dustin Ecker went to compete at Brookview Elementary School on Thursday, February 22nd. Our team came in third place. The students did a great job answering math problems that most of us wouldn't even know where to begin and represented Grassy Creek in a very professional manner. We are very proud of them!

From Dusk Till Dawn Program Enjoyed by All!

Students in grades 3 and 4 presented songs, dances, and instrumental pieces about the night time in a musical performance Thursday evening. Our students worked very hard on this unique performance that entertained family and friends.

Way to go!

GRASSY CREEK MISSION STATEMENT
Grassy Creek Elementary Empowers children to be life-long learners and productive citizens in our diverse community.

PRINCIPAL'S POINT:

Dear Parents,

Next week we will **SHOW WHAT WE KNOW** on the ISTEP+ test in 3rd and 4th grade. You can find our testing schedule below. Here are a few reminders that will help your child do their best:

Go to bed by 9pm. Getting good sleep recharges our brains!

Eat a healthy breakfast. We provide this for every Grassy Creek Prospector every day.

Read ALL the directions before starting. Sometimes we forget and jump right in.

Use our strategies! Every day we work on tips and tricks that help us in reading and math. Put those to work!

Check our work. This is the best way to catch a silly mistake!

Do our personal best. Each one of us have different talents. Work hard and do YOUR best, don't worry about another person.

Our kids are going to **ROCK THAT TEST!** Each day we'll have prizes for students who do the above 6 things to help them be their best. We are proud of them and excited to celebrate their progress through ISTEP+!
