ROOM 31 KNOWS ALL ABOUT THE SOLAR ECLIPSE!

Mrs. Hildebrandt asked her kindergarten class what they learned about the Solar Eclipse on Monday, August 21st. They replied:

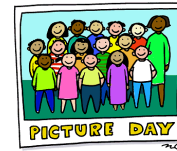

1. The moon will cover the sun.

PRINCIPAL'S POINT:

This week we had lots of fun while learning at Grassy Creek. Thanks to Ms. Steiner for planning an AMAZING Read-in Night for 3rd grade! Did you see the pictures on Facebook? Check it out! Give us a like, a 5-star rating, or throw us a comment. We love sharing good things with you through social media!

Watch for NWEA, ISTEP+, and summer IREAD-3 reports coming home next Friday. If you have questions about your child's progress please contact your teacher. We are excited to see our kiddos grow and succeed this year!

As always, thanks for sharing your child with us!
