

I am so excited to go to the #Horsepower500 at Children's Theraplay!

I will get to play games and see the horses in the TherAplay barn. And then watch a parade outside.

There will be lots of things to see
and lots of sounds to hear.

If it gets too loud or I need to calm down, I can ask a
grown up for:

A break in the
quiet "Idle Zone"

Headphones

Fidgets

First, we will park at a church and get on a bus that will take us to the event.

I will wear my mask and stay near my adult at all times so I can be safe.

When I get there, I will play in the TherAplay barn and arena first.

There will be lots of activities to choose from and I may not get to do all of them.

There will be food to eat! I will be sure to wash my hands or use hand sanitizer before I eat.

There will be things like face painting, bubbles, and princesses!

And games to play for prizes.

At 5:30, the carnival we be all done. I will walk outside with my adult and go line up to watch the parade.

I will have to stand behind orange cones or a fence to watch the parade.

There will be some loud sounds like drums and car engines. But I can ask for headphones if it gets too loud.

There will be fire trucks and police cars with flashing lights.

There will be team mascots and people in silly costumes.

There will also be princesses, animals,
and lots and lots of bubbles!

After the parade, I will get in line to get on a bus to take
us back to our cars at the church.

Then, it is time to go home.

I will have so much fun at #Horsepower500!
