Children's TherAplay
The Children's TherAplay Foundation, Inc.

WHAT IS THE JUNIOR BOARD?

The mission of the Junior Board is to advocate for children with special needs and spread awareness about The Children's TherAplay Foundation through impactful community engagement and member involvement.

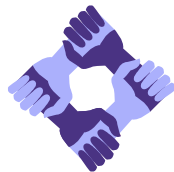

Led by the senior co-presidents, the Junior Board seeks to support the Children's TherAplay mission through fundraising, volunteering, and advocating for children with special needs.

Junior Board members make a difference through three foundational pillars:

COMMUNITY

External outreach in the community at events and at school

INVOLVEMENT

Volunteering at special events, sidewalking, and participating in the Junior Buddy program, matching TherAplay kiddos with a Junior Board member for the year

IMPACT

Planning and implementing fundraising initiatives and events through Day of Giving, Horsepower500, and more.
