

I am so excited to go to the HorsePower 500 at Children's Theraplay!

I will get to play fun activities, watch a race, and see race car drivers!

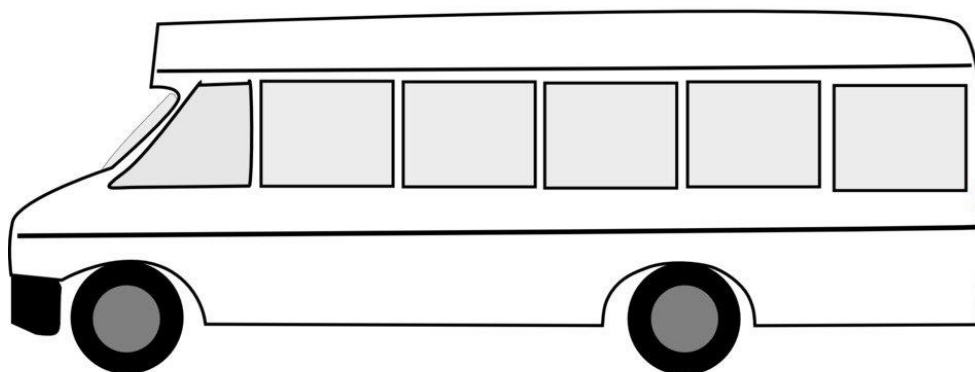

First, we will park at a church and check in.

Then, we will take a bus to TherAplay!

When I get there, I will get to walk around in the Lucky Farms barn next to Theraplay until the race begins!

There will be lots of activities to choose from. I might only have time for a few before the race begins!

I can choose a snow cone or pizza to eat!

I can also choose face painting, seeing special dogs, or meeting princesses!

There will also be cool race cars to see. I can finish the activities after the race if I don't have time!

After walking around and choosing activities, we will head into the Lucky Farms arena to find a seat!

At 4:30, the opening ceremony begins! The drivers and teams will walk out in an opening parade.

There will be loud voices on a speaker. I can ask for headphones if it gets too loud.

After the opening ceremony, the race will begin! I will watch the drivers race through an obstacle course.

I can cheer them on and say "GO!" or "YAY!"

I will watch the drivers have a lot of fun and try to guess who will win!

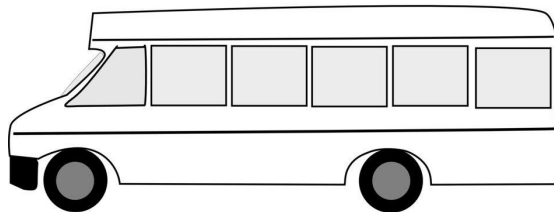

After the race, there will be an awards ceremony for the winners!

After the race, I can finish all the activities! I can also wait in line to get an autograph from a race car driver.

After I am done walking around, I will take a bus back to the church.

Then, it is time to go home.

I will have so much fun at HorsePower 500!
