Subject: E-Learning Assignments and Reminders
Date: Sunday, March 15, 2020 6:27:43 PM

Dear Parents & Guardians,

A few clarifications and reminders about E-Learning Band Assignments. I have posted all assignments on Google Classroom, the Music Newsletter, and I will list them below again. In order to do these assignments there are some necessary materials which are also listed below. It is ESSENTIAL to these E-Learning assignments that students have their instruments and music. Tomorrow (3/16) Mrs. Prater and myself will be at St. Luke to help with finding these materials. If you're missing any materials come by the Band room and I will gladly help you out. Or just come by, say hello, and grab a Jolly Rancher :)

Please note, assignments need to be turned in on time. Videos will all be submitted through Google Classroom. Monday and Tuesday I understand we will all be adjusting, but after Wednesday 3/18 I will count -1point/off per day late. Otherwise we lose the learning we are trying to achieve through E-Learning. Your students are more than welcome to turn in assignments early but they cannot be submitted late. If your student is sick that "class" aka that day, let me know and I'll accept that late work with full points. All assignments are graded on completion and effort, not ability. Please contact me with any questions. We're all in this together!  See you tomorrow! Be safe!

Sincerely,

Miss Horcher

Necessary Materials:

5th Grade Band - Instrument, Book (Yellow Essential Elements Book 1), Recording Device(aka IPAD, Phone, Computer Etc.)
