eat my food. I will keep my hands to

myself and I will only touch my food on

my tray.

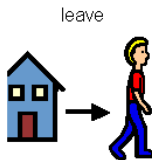

When my class is finished eating, we

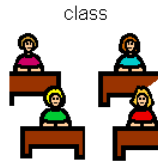

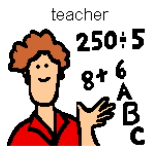

line up quietly and wait for our teacher.

We listen to our teacher's directions

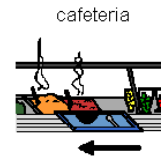

and we leave the cafeteria.

My teacher and my classmates like it

when I sit quietly, eat my food, and

keep my hands to myself in the

cafeteria. It makes them happy when I

follow the cafeteria rules!
