

Fall

Break

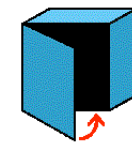

My

school

will be

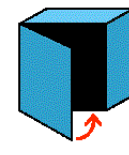

closed.

It

is

closed

for

Fall

break.

Fall

break

is

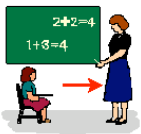

when

the students

and

the teachers

get

a vacation.

I

will

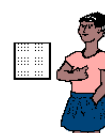

stay

home

with

my

family.

I

will

get

to

sleep

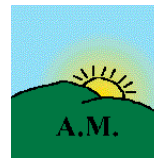

late

in

the morning.

I

will

get

to

play

with

my

toys.

I

will

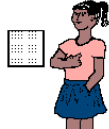

get

to

read

my

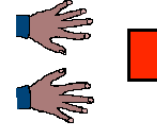

books

at home.

I

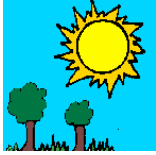

will

get

to play

outside

in

the

warm

Fall

weather.

Some

things

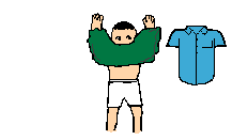

will be different.

My

routine

will change.

It

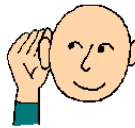

is

OK.

I

will try to

listen

to

my

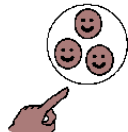

mom

and

dad.

They

will

help

me

understand

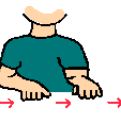

what

I

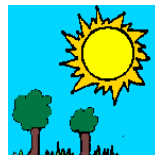

am

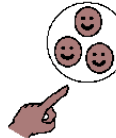

doing

each

day.

They

will

take

care

of

me.

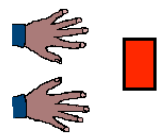

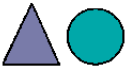

It

is

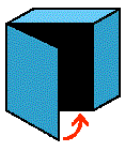

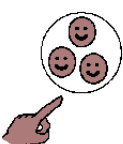

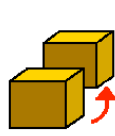

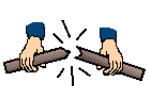

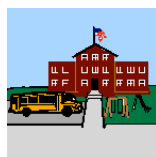

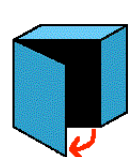

OK.

      
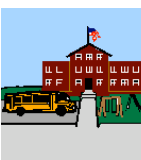

Maybe I will get to go somewhere different.

     
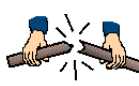

I will try to listen to my mom and dad.

      
They will make sure I know where I am.

     
I will stay close to them. It will be fun.

     
After Fall Break, the school will open again.

   
I will go back to school.

     
I will have fun on Fall Break.
