

Hallway Behavior Card

In the Hallway, I am

Quiet

Walking

With my hands
to myself

How to Use:

1. Print the card. Cut it out, and laminate it.
2. Post it by the door, so you can cue students on the way out of your classroom or carry it with you in the hallway to remind students of appropriate hallway behavior.
3. Use as a visual behavior reminder.
4. When the student is not performing one of the desired behaviors (Quiet, Walking, With my hands to myself) Show the student the card and say, "In the Hallway, I am quiet, walking, with my hands to myself," as you point to each picture, or the picture that you wish to emphasize.
