

METROPOLITAN SCHOOL DISTRICT OF WARREN TOWNSHIP

Dear Staff,

We love fundraisers! Fundraising policies have changes over the years and MSD of Warren Township would like to inform you of the proper guidelines. The USDA has established nutrition standards for all foods and beverages sold to students in school during the school day, including food sold through school fundraisers. The Smart Snacks in School nutrient standards help schools to make the healthy choice the easy choice by offering students more of the foods and beverages we should be encouraging. We understand that fundraisers are time honored traditions that support local school activities including class trips, athletic programs and the purchase of school supplies.

Here are some ways to ensure a healthy, fun, and successful fundraiser.
