

Become a Certified Paraprofessional

The **ParaPro Assessment** for prospective and practicing paraprofessionals measures skills and knowledge in reading, mathematics, and writing, as well as the ability to apply those skills and knowledge to assist in classroom instruction. The test consists of 90 multiple-choice questions across three subject areas of reading, mathematics, and writing. Approximately two-thirds of the questions in each subject area focus on basic skills and knowledge and the remaining one-third of the questions focus on the application of those skills and knowledge in classroom setting.

Enroll in classes at the Walker Career Center on the campus of Warren Central High School.
