WCC Staff Gives Back!

Walker Career Center staff dedicated time and services during National Education Week by “giving back” to the MSD Warren Township community during STEAM night, which took place on November 15, 2016. Staff helped Chef Carol Rice and Culinary Arts students prepare and serve meals to many Warren Township families in need. This was a collaborative effort with the WCC staff, Deans from all MSD Warren Township schools K-12 and Mr. James Taylor’s Student Services Office.

Finance Academy Takes 1st!

On Friday November 11, 2016, 3 teams of seniors from the Advanced Finance Academy, located in the Walker Career Center (WCC), competed in the PriceWaterhouseCoopers Accounting for the Future Case Competition. The team of Alexis Pennington, Ryan Page, Raul Guerra, and Anna Uhlenhake took first place. Beta Alpha Psi, the Accounting Business Fraternity provided the case to high school classes from Hamilton Southeastern, Westfield High School, North Central High School, Ben Davis High School, and WCC. The teams had to complete financials for Hoosier Fitness and determine which decision was best to keep the business up and running. Once their decision was determined they then needed to predict what the future financials might look like. This was the first time in the history of the competition that a team from the WCC has won it all! Congrats Team GOAT and Instructor, Jenna Burns—WCC is proud of you!
