Excellence Everyday, That's the Panther Way!

Pleasant Run Elementary Staff -

We had a great family event this week. A huge thank you to the Children's Museum. I received several comments from families and community members thanking our staff for planning the event. Thank you so much for joining us.

I am so grateful everyday serving as the principal at Pleasant Run Elementary. We truly have wonderful students, staff, and parents. As we enter into the Holiday season, I know my perspective changes every year as I get older. I believe it is important to model the "little gestures of kindness."

"I firmly believe in small gestures: pay for their coffee, hold the door for strangers, over tip, smile or try to be kind even when you don't feel like it, pay compliments, chase the kid's runaway ball down the sidewalk and throw it back to him, try to be larger than you are---- particularly when it's difficult. People do notice, people appreciate. I appreciate it when it's done to (for) me. "Small gestures can be an effort, or actually go against our grain, but the irony is that almost every time you make them, you feel better about yourself. For a moment life suddenly feels lighter, a bit more Gene Kelly dancing in the rain."- Jonathan Carroll

I encourage you to follow us on Facebook & Twitter. We do our best to post day to day events.

As always, I appreciate your support.

Mr. Koomler - Principal
