Important Dates

SEPTEMBER 2018	
LABOR DAY-NO SCHOOL	3
Late Start Day 9:40 am	12
Picture Day	17
School Board Mtg.	19
Salsa/Salsa Night	20

Labor Day, Monday, Sept. 3rd-NO SCHOOL

Pleasant Run Families,

Recently your child took the NWEA test called Measures of Academic Progress (MAP). Students were given the NWEA MAP tests to determine your child's instructional level and to measure academic growth throughout the school year, and from year to year in the areas of Language Arts, Reading and Math.

MAP tests are unique in that they adapt to be appropriate for your child's level of learning. As a result, each student has the same opportunity to succeed and maintain a positive attitude toward testing. And with NWEA MAP tests, we can administer shorter tests and use less class time while still receiving detailed, accurate information about your child's growth. This school year, students in grades kindergarten through tenth take the tests in August, December and May. Following each testing period, you will receive a report showing your child's growth. This report will be coming home today.

We are truly excited to begin a new era that focuses on every child's individual growth and achievement. Partnering to help all kids learn, parents and teachers can have a profound positive effect on the lives of our children.

For more information on resources for parents, download the Parent Tool kit at <https://www.nwea.org/resources/parent-toolkit/>

Please enjoy the long weekend and we will see everyone back here on Tuesday.

Mr. Koomler-Principal
