Dear Lakeside Parents and Guardians,

It's truly hard to believe that it's June 4 and the school year is coming to a close today! I feel that we have had a tremendous year working with your children and we could not have been as successful without the support you have provided our school. I would like to thank you for participating in the fundraisers and multiple events we have hosted throughout the school year. It's also been great to see so many of you visiting your child's classroom, eating lunch with your child in the cafeteria and being a chaperone during a field trip. Your presence and participation in our building and in the education of your child is sincerely appreciated and he/she will never forget your support.

If you and your child are leaving Lakeside, I would like to thank you for all you have done to make Lakeside a better place and I wish you the best in your transition to your next school. If you are returning to Lakeside, we look forward to seeing you at Back to School registration on Tuesday, July 17, from 12:00 -8:00 p.m. Our first day of school is on Monday, July 30. Please know that it is very important that you attend registration in order for us to obtain updated information and to ensure we have your child placed in a classroom for the first day of school. Also, at registration, our PTA will be asking you to join. We are extremely proud of our PTA and the support that the organization has given to our students and staff. Please know that you are all encouraged to join and participate as much as you can.

In closing, thanks again, for all you have done to support your child, your child's teacher, and our great school! I hope everyone has a great summer!

Sincerely,

Mr. Hoog

Welcome to the Counselor's Corner!

Students and Families, WHAT AN AMAZING YEAR!!

I could not have been more happy to be a part of such an amazing student body and staff. I cannot wait to see how the elementary counseling program grows and develops in the coming years! Take this summer to rest, enjoy, and have fun! This year we have grown so much—from lessons on the brain, individual conversations about what I want to be when I grow up, how to help deal with anger, and more. We have traveled together from the best news to some of the worst, yet here we have arrived. Ready for a great summer and ultimately a start to a fresh new year! Give your student a high five and a hug! Congratulate them on succeeding in so many ways and learning how to handle some of life's toughest struggles.

Until next year!
