Attendance Matters

This year, Lakeside Elementary is making a special effort to ensure that all students fully benefit from their education by attending school regularly. Attending school regularly helps children feel better about school—and themselves. Your student can start building this habit in kindergarten so they learn right away that going to school on time, every day is important. Consistent attendance will help children do well in high school, college, and at work. Attendance is a leading indicator of student success in school and post-school life. **What is considered "Good Attendance"?- Less than 5 days missed =97%.**

Benefits for Good Attendance:

- Improved Social Skills
- Connected to the School Community
- Improved Grades
- More Likely to Graduate High School

WHAT YOU CAN DO

- Set a regular bedtime and morning routine and talk to your student about the importance of attendance
- Prepare for school the night before, finishing homework and getting a good night's sleep.
- Avoid appointments and extended trips when school is in session.

Sincerely,

Janie Smith-Principal

Birthday Treat Policy: Starting this 18/19 school year, all MSD Warren Schools will be aligning their birthday celebration policies to the district's wellness policy. As part of our efforts towards health and wellness, we follow a "no birthday treats" guideline. Warren Townships policy emphasizes on academics and fairness to all children. Birthday treats and party items are not allowed during school hours. Please do not send food items or party invitations to school. Also, balloons and flowers are not to be delivered to students at school.

Please join us for Lakeside Family Literacy Night

"The more that you **read**, the more things you will know. The more that you learn, the more places you'll go."

Lakeside Lions, are you ready for some fun?! Come join us on Thursday, September 13, 2018, from 6:00-7:30. There will be fun-filled rotation stations focusing on different reading strategies, a book give away for Lakeside students, and the book fair will be open for shopping! We can't wait to see you to join in the fun!!

Weekly Counselor News:

- **Healing Hearts** is coming to your building: I am working with our Healing Hearts grief counselor to offer support to student who have lost loved ones, if you feel your student might benefit from this service, do not hesitate to reach out!
- **Attendance:** I am continuing to work with students and families on making sure they are getting as much school as possible! Students often lose much instruction when they are not here which can make them feel behind and can have negative impacts on student learning and self-esteem.

■ **Labor Day Weekend!** Families, it is a three day weekend! Take some time and get outdoors and do something fun together! Discuss how quality time is important and how you can also enjoy quality time with friends and staff at school! Talk with your student about the importance of making friends and getting involved with fun activities at school!

Health Heroes

Health Heroes will be at Lakeside on Thursday, September 13th in the morning to administer flu vaccines for students. In order to receive this FREE vaccine, students

MUST have a complete permission form on file. Letters and forms pertaining to this were sent home with your student. **Please return the fully completed form to the school clinic by September 10th.**

SKATING PARTY...Our 1st Skating Party will be held on **Monday, September 24 from 6:00pm-8:00pm @** the Roller Cave located @ 8734 E. 21st Street. Cost is \$6, which includes regular skate rental (speed skates and blade skates are extra). Everyone age 3 and older, including older siblings, are required to purchase an admission ticket and wear skates. Every child must have an adult who is responsible for them @ school skating parties. Our PTA's philosophy is to support family time...Children **are not** to be dropped off unsupervised.

SCHOOL DISTRICT PUBLICATIONS/NEWS MEDIA USE FOR STUDENTS

The occasion may arise when the school district wants to recognize your child or your child's school. This may include your child's photo, your child's name or your child's work in district publications, newsletters, on school district websites, and in electronic/social media or in staff training videos. We may also want to tell the media (including newspapers, television, and radio) about your child's achievements. We never knowingly release information about a student to anyone who wants to use it for commercial/political purposes. However, we will honor your request to not include your child in these types of recognitions if you notify your child's school office in writing that you do not want this type of information released.

Picture Day

Individual student pictures will be taken on **Thursday, September 13th** this year. Every student will get his or her picture taken for the yearbook.

Any purchase of pictures is completely optional.

Pictures are taken on a pre-pay plan. Payment is made payable to **LifeTouch**, not the school. **All students should be in standard school uniform for pictures.** Picture order forms will be sent home next week.
