Hello Lakeside Parents and Guardians,

On Thursday evening, we had an outstanding Veteran's Day celebration with our 2nd, 3rd and 4th grade students and families. Our veterans and current military are responsible for the free and public education we support in our country today and we were proud to honor them. We appreciate all who have served and currently serve in our armed forces to ensure we have great educational opportunities for our students.

Please look for additional postings next week in celebration of the great things that are happening in our awesome school.

Furthermore, please note that Warren Central High School is having a Career Fest on Thursday, November 15, from 6:00-8:00 p.m. Families will have access to over 120 different colleges, universities, businesses, apprenticeship programs and military branches. It would be a great opportunity for you to expose your child to the great educational and career opportunities ahead.

Have a great weekend!

Mrs. Smith

SCHOOL DISTRICT PUBLICATIONS/NEWS MEDIA USE FOR STUDENTS

The occasion may arise when the school district wants to recognize your child or your child's school. This may include your child's photo, your child's name or your child's work in district publications, newsletters, on school district websites, and in electronic/social media or in staff training videos. We may also want to tell the media (including newspapers, television, and radio) about your child's achievements. We never knowingly release information about a student to anyone who wants to use it for commercial/political purposes. However, we will honor your request to not include your child in these types of recognitions if you notify your child's school office in writing that you do not want this type of information released.

Birthday Treat Policy: Starting this 18/19 school year, all MSD Warren Schools will be aligning their birthday celebration policies to the district's wellness policy. As part of our efforts towards health and wellness, we follow a "no birthday treats" guideline. Warren Townships policy emphasizes on academics and fairness to all children. Birthday treats and party items are not allowed during school hours. Please do not send food items or party invitations to school. Also, balloons and flowers are not to be delivered to students at school.

Weekly Counselor Digest:

- According to a report from the department of education: "Chronic absenteeism may prevent children from reaching early learning milestones." Continue to focus on coming to school with your student by helping them identify what they look forward to at school: friends, teachers, lunch, recess, and more!
- The counseling office has been very busy with sending out weekly social skill videos, talk to your student about what they see on the morning news! This week's skill was "getting attention appropriately" and next week's lesson will be "how to make good decisions."
- Remember grief support is available to your student if you would like more information on that - please reach out to me
- Activity to try at home: with your family, sit down (maybe over dinner) and encourage your student to openly discuss how they feel... model the use of feeling words like; happy, mad, sad, lonely, silly, etc... afterwards talk to your student about why it is important to identify how they feel.
- Dan Seigel said: "What we can name, we can tame!"
