## Mr. Hoog's Headlines...

Hello Lakeside Parents and Guardians,

Just a quick reminder. We are quickly approaching the end of another school year and many fun activities are still ahead. If you plan on chaperoning on a field trip, helping with Field Days, etc., please make sure your school-based background check is complete and up-to-date. Please see our secretaries in the main office if you have any questions.

Fourth grade parents, please look for a letter coming home today regarding a celebration for our fourth graders who will be completing their time at the elementary level and moving on to the intermediate school level. The program will take place at Lakeside on Friday, June 1, from 9:15-10:15 a.m.

Have a great weekend!  
Mr. Hoog

## Welcome to the Counselor's Corner!

Hey families!

I want to take an opportunity to recap some of the great things that have gone on in the counseling office this year! I have so enjoyed getting to know your students and working with them in a variety of ways. From lessons in the classroom, social skill groups, individual check-ins, and being able to support them as they go through tough times, just to name a few... I have loved every minute. As a reminder, my position is brand new to the district as of this year and we have grown together as a school staff and community so much already. As a school counselor, I have loved teaching your students about their brains, emotions, positive coping skills, respect, kindness, and how to stand up against bullying and moreover how to identify bullying! I am so excited for all of the end of year opportunities that are coming your way!

### **A couple points of interest:**

- Healing Hearts Grief Groups are not accepting new students this year, but recommendations can be considered for next year!
- How can parents help students remember things learned in school?
  - Take some time to go over your child's day...require your student to say something more than "good".
  - Ask if anyone came into their room today.
  - Take a moment to review CORE expectations: Civility, Order, Respect, & Excellence.
  - Ask them what coping skills they used today, how did that help them stay out of dino brain! Remember dino brain is the part of the brain that is responsible for when we get upset/angry.
  - Talk about what it means to be there for each other, and how we can keep ourselves safe.

### **BOXTOPS...**
