## Mr. Hoog's Headlines...

Hello Lakeside Parents and Guardians,

IREAD-3 testing is complete! Our 3rd graders did an excellent job with staying focused and committed to doing their personal best. We hope to have the results back by mid-April and will communicate with you when we are able to release scores. Thanks in advance for your patience.

I hope all of our students and staff have a safe and restful two-week break. We return to school on Monday, April 2. Looking ahead, our 3rd and 4th grade students begin the 2nd round of ISTEP+ testing on Monday, April 16.

Please continue to read our newsletters as we will keep you in touch with additional school and district-wide activities that will be taking place during our last quarter of the school year.

Thank you for all you do!  
Mr. Hoog

**Welcome to the Counselor's Corner!**

Hello families! As we get ready for Spring Break, here are some things we have been working on that you can go over with your child as you are relaxing these next two weeks!

1. Dino Brain vs. Front Brain; in this lesson we talk about calming our brains down so we can get out of our dino(saur) brain and into our front brain-the part that lets us think, have conversations, and make good decisions.
2. Grief and Loss; if your family has been struck with the loss of a loved one, please know that we have support here for your student! Through our partnership with Healing Hearts, we can offer group-based grief support.
3. BE THERE; in this lesson we take about the importance of being there for our school/classroom family. Simply by saying, "I gotchu," to a fiend in need can make a world of difference! Practice being there for each other this break!

Thank you families, have an awesome Spring Break!
