Mr. Hoog's Headlines...

Hello Lakeside Parents and Guardians,

The Harlem Wizards are coming to Warren Township for a fun-filled evening, Friday April 27, at 6:30 p.m. Tickets are \$8 for students and \$10 for adults and \$25 for Courtside Plus tickets. Tickets at the door are \$10 for students and \$12 for adults. All tickets are sponsored by the Warren Arts and Education Foundation and the money raised goes back to schools to support teachers and students in the district. This event is certainly fun for all ages! www.harlemwizards.com

We are quickly approaching the end of another school year and many fun activities are still ahead. If you plan on chaperoning on a field trip, helping with Field Days, etc., please make sure your school-based background check is complete and up-to-date. Please see our secretaries in the main office if you have any questions.

Thank you for your support and see you at tonight's game!
Mr. Hoog

Welcome to the Counselor's Corner!

Hello families! It is getting warmer out there, Spring is so close! After a busy and **successful** few days for ISTEP, this newsletter is all about **SELF-CARE!** For both students and parents!

- Get outside and take a walk! Around your neighborhood or a park, fresh air is AMAZING for your mental health
- Watch a favorite TV show or movie as a family! Quality family time is needed!
- Make slime together! With the popularity of slime taking our kids by storm, take a Saturday afternoon and make slime together and see how cool you can make it!
- Play a sport together! This can help build teamwork and good sportsmanship skills
- Practice mindfulness outside: take a moment to walk around and notice the different sounds around you or take drawing materials and draw a favorite nature scene with your family!

This week I have noticed that MANY of your students are identifying when they are in dino brain or front brain, which is AWESOME!! Keep encouraging your students to use their coping skills to help with getting out of dino brain! Also, remember that your student can use coping skills to keep themselves calm and out of trouble...and when your student is calm it is MUCH easier to accept consequences if needed.

BOXTOPS...
