Dear Lakeside Parents and Guardians,

Thank you for your attendance at our Back to School Night! We hope you enjoyed having the opportunity to visit with your child's teacher and we look forward to seeing you visit again soon!

### Super Parents Are the Core Night

On Thursday, August 30, we will be hosting Super Parents Are the Core Night at Lakeside. The evening will begin at 6:00 p.m. and will end no later than 7:45 p.m. The event will be kicked off with a chance to interact with our Superintendent Dr. Timothy Hanson from 6:00-6:35pm. During the rest of the event, you will have an opportunity to learn more about the following topics:

- Standards-based report cards
- Digital content utilized to support personalization
- Eureka Math
- CORE/PBIS
- NWEA

In the near future, we will send home a brief description of what will be covered under each topic. Members of our staff will repeat each session 2 times over the course of the evening. You will be asked to choose 2 of the 5 topics being offered. Each session will be 25 minutes in length with a brief transition time between sessions. In addition, during the event, we plan to offer pizza and a dance party for your children who currently attend Lakeside. Please mark this event date on your calendar!

Have a great weekend!

Mrs. Smith

## Z S H C Vision and Hearing H S K R N Screenings

The Marion County Health Department will be at Lakeside from August 20-23, 2018 to conduct state mandated vision and hearing screenings on students. Vision screens will be conducted on all First and Third grade students. Hearing screens will be conducted on all First and Fourth grade students. In addition, any new transfer students from outside of Warren Township will also be screened. Kindergarten students will be screened at a future date. If you do not wish to have your child screened for any reason, please send this request in writing to the school nurse no later than Friday, August 17, 2018. If you have any questions please feel free to call Mrs. Cooper at 532-2855 during regular school hours.

We are off to a great start!! Already your students are getting to know or refreshed on what dino brain is, and how to control anger with coping skills of their choice. I have already reached to many of you about how to best support your student. Remember - I am here to support your student and you! We offer a different options for your child's mental health/counseling needs, and I can help navigate that! In the coming weeks I will be putting together an attendance club to work with students who seem to be missing school - We love our students and want them here as much as possible! Here are some talking points to discuss with your student:

1. How are you working to follow directions in class?
2. What is dino brain? How do you get back into front brain?
3. How can you show C.O.R.E. even when you're upset?
4. What startegies can you use to ignore people who may not be your friend, while still showing Respect?
5. Why do you come to school? Parents, use this as a chance to really talk with your kids about the importance of coming to schoolto learn and gain knowledge. It is important to make friends and enjoy it, but it is equally important to come to school focused and ready to learn!

Always reach out to me if you have any questions!. Just call the front office and ask for and ask for Mr. Phillips:)

### \*\*\*\*CAR RIDERS/DAYCARE\*\*\*

#### Student Drop-off/Pick-up Procedures

We ask that our parents follow these guidelines to insure that every student has a safe arrival and dismissal:

In order to increase the safety of all of our students and adults entering and leaving the building each day, all students will be required to be dropped-off and picked-up through the car rider line. Parking at the front and East end of the building and walking children to and from the entrances will not be allowed. We would like to prevent children and adults walking through the path of cars or buses on the property at any time.

Staff members will be present outside beginning at 8:30 a.m. each morning for student drop-off. Please do not release your children until a staff member signals the beginning of our process. Students will not be counted tardy until 8:40 a.m. Our afternoon pick-up procedures will begin at 3:30 p.m. If you are in a hurry, you are encouraged to be at or near the front of the line and we will implement our dismissal procedures as quickly and safely as possible for all.

Thank you very much for your support with helping ensure Lakeside maintains safety as our first priority during our student entrance and dismissal each day!

**DON'T FORGET TO PICK UP YOUR CAR RIDER  
SIGN IN THE FRONT OFFICE!!**
