SCHOOL DISTRICT PUBLICATIONS/NEWS MEDIA USE FOR STUDENTS

The occasion may arise when the school district wants to recognize your child or your child's school. This may include your child's photo, your child's name or your child's work in district publications, newsletters, on school district websites, and in electronic/social media or in staff training videos. We may also want to tell the media (including newspapers, television, and radio) about your child's achievements. We never knowingly release information about a student to anyone who wants to use it for commercial/political purposes. However, we will honor your request to not include your child in these types of recognitions if you notify your child's school office in writing that you do not want this type of information released.

Birthday Treat Policy: Starting this 18/19 school year, all MSD Warren Schools will be aligning their birthday celebration policies to the district's wellness policy. As part of our efforts towards health and wellness, we follow a "no birthday treats" guideline. Warren Townships policy emphasizes on academics and fairness to all children. Birthday treats and party items are not allowed during school hours. Please do not send food items or party invitations to school. Also, balloons and flowers are not to be delivered to students at school.
