

After careful consideration, and to ensure the health and well-being of our members, employees, and the communities we serve, we have made the decision to temporarily close our University (Located inside University Hospital - 550 N. University, Ste. C1308, Indianapolis, IN 46202) and Avon (inside IU Health West - 1115 N. Ronald Reagan Parkway, Suite 117, Avon, IN 46123) branches effective Monday, March 23, 2020. Experts believe that if we all temporarily limit close personal contact and practice social distancing, everyone will benefit as this precautionary step will slow the spread of Coronavirus (COVID-19). The ATM's in these locations will still provide members access to cash.

The rest of our branches are open during regular operating hours:

Sunstone Branch

If you plan to visit a branch please practice social distancing by keeping a distance of 6 feet between you and other members or staff. If you are not feeling well please stay at home.

Thank you for your understanding and patience as we work together to safeguard the health of our communities.
