

## FOR IMMEDIATE RELEASE

### **Safety Resources, Inc. Becomes Authorized Provider of IACET CEUs *Prestigious Accreditation Demonstrates Commitment to High-Quality Lifelong Learning***

**September 8, 2014-** The International Association for Continuing Education and Training (IACET) has awarded Safety Resources, Inc. the prestigious Authorized Provider accreditation. IACET Authorized Providers are the only organizations approved to offer IACET Continuing Education Units (CEUs). The accreditation period extends for five years, and includes all programs offered or created during that time.

“Safety Resources, Inc. is proud of our education programs which train a considerable number of construction and industry employees and professionals each year in important safety and health skills so that our customers stay on the cutting edge,” stated Kristin VanSoest, CEO & President. VanSoest added, “Our new partnership with IACET is a demonstration of our commitment to lifelong learning and high standards for all of our programs, and we are very pleased to join such a prestigious organization as well as an elite group of organizations that offer excellent continuing education and training programs.”

“We are pleased to establish our relationship with Safety Resources, Inc. as an Authorized Provider,” stated Kristopher J. Newbauer, President of IACET and Director of Learning & Organization Development at Rotary International in Evanston, IL. Newbauer added, “Safety Resources, Inc. joins nearly 500 organizations around the globe that have had their programs vetted by third-party experts in continuing education to ensure the highest possible standards are met.”

In order to achieve Authorized Provider accreditation, Safety Resources, Inc. completed a rigorous application process, including a review by an IACET site visitor, and successfully demonstrated adherence to the ANSI/IACET 1-2013 Standard addressing the design, development, administration, and evaluation of its programs. Safety Resources, Inc. has pledged its continued compliance with the Standard, and is now authorized to use the IACET name and Authorized Provider logo on promotional course material. In addition, Safety Resources, Inc. is now linked to the IACET web site and is recognized as offering the highest quality continuing education and training programs.

**About SRI:** Founded in 1995, Safety Resources, Inc. is a national safety consulting firm, with a team of dedicated consulting professionals whose practice is the implementation and execution of workplace safety. They specialize in contract safety director services, construction site safety supervision, worker’s compensation assistance and employee training. Their team of professional consultants is comprised of degreed individuals with various specialties and areas of expertise. Safety Resources, Inc. takes pride in ongoing professional development, therefore allowing our consultants to continuously keep current with trends in the industry.

**About IACET:** The International Association for Continuing Education and Training (IACET) is a non-profit association dedicated to quality continuing education and training programs. IACET is the only standard-setting organization approved by the American National Standards Institute (ANSI) for continuing education and training. The ANSI/IACET Standard is the core of thousands of educational programs worldwide. For more information, please visit [www.iacet.org](http://www.iacet.org) or call 703-506-3275.
