Sunny Heights Families,

We have had a very chilly return from winter break! Students have done a great job adapting to changes in our schedule remaining flexible with the delays and late starts. Thank you to our families for working hard to get students to school warm and safe this week!

Students have been working hard to make up for the time off from school. Students have been talking with staff about their achievement data and growth as we near the ISTEP and IREAD testing window. Students should be able to share with you what they doing to “show what they know and how they grow”!

Thank you for all that you do!

Your proud principal,

Barton Lewis

CAR RIDER INFORMATION

The snow and ice has begun to thaw outside the school as the temperatures slowly rise. It is very important that car riders follow the flow of traffic through our parking lot in the morning. Students should be dropped off along the front walk only, not around the corner or in the parking lot. This is to help maintain safety as we have over 100 students entering in the morning from the car rider line. Your cooperation to help keep ALL our children safe is appreciated!
