Sunny Heights Families,

It has been a GREAT start to the year here at Sunny Heights Elementary!! Students and staff have started the year building relationships, setting high expectations, and practicing procedures in order to support the task of learning. We will continue to emphasize relationships, expectations, and procedures throughout the year.

Here are a couple of **very** important reminders for families about safety procedures here at Sunny Heights Elementary.

1. Car riders should enter campus from the 25th street entry. Cars should pull all the way to the end of the front curb to drop students off. Students remain in cars until the 8:30 am arrival time. Cars must stay in a line behind the other cars for safety reasons. *If arriving after 8:40 am, parents will need to park and sign their students in.*

2. Visiting Classrooms - Parents are welcome to visit classrooms during the school day. Visitors need to sign in at the main office, receive a visitor's badge, then wait for a staff escort to the classroom. If you need to meet with a teacher, please call or email them to set up a time that does not interfere with instruction.

We want to do everything we can to support our students, families, and staff. We must do that with safety as our first priority. Thank you very much for your cooperation in making school a safe place for all.

Your VERY Proud Principal,

Barton Lewis
