### CAR RIDER INFORMATION .....

The snow and ice has begun to thaw outside the school as the temperatures slowly rise. It is very important that car riders follow the flow of traffic through our parking lot in the morning. Students should be dropped off along the front walk only, not around the corner or in the parking lot. This is to help maintain safety as we have over 100 students entering in the morning from the car rider line. Your cooperation to help keep **ALL** our children safe is appreciated!
