Sunny Heights Families,

We have had an exciting week at Sunny Heights Elementary! Students were able to experience the solar eclipse safely and learn a lot about our planet and solar system. Students have completed their first round of NWEA testing as we near the first midterm of the school year.

The biggest factor for student success is their attendance at school. Children do get sick and there are other factors that leave to students being absent. It is very important that students are at school every day whenever possible. The school year goes by very quickly. Every day provides opportunity for students to learn, grow, and experience success. We appreciate all that you do to support your students and their attendance.

Your Proud Principal,

Barton Lewis

Home & School Connection

ORGANIZATION

A journey that is well planned is more likely to be successful. Try these ideas to help your child manage his time and materials.

Create a "road map"

Suggest that your youngster map out his week using a student planner. Or try this idea: Have him draw a path on construction paper that begins at one corner and winds to the opposite corner. Next, he should add lines to divide the sheet into five columns and label each with a weekday (Monday, Tuesday, Wednesday, Thursday, Friday). He could write homework assignments and other obligations in each space. *Examples:* "Study spelling words." "Make diorama for social studies." Every day after school, review his planner or his map together, and talk about when he'll do each task. He can check off each item as he completes it or color in that day's spaces on his road map.

Manage papers and supplies

Encourage your child to keep her backpack and her homework area organized. By carrying only what she needs in her bag, she's less likely to lose important papers. Suggest that she clean it out every Friday after school, discarding scrap paper, hanging up artwork, and filing old quizzes. Also, have her keep homework supplies in one spot so she's not sidetracked by searching for something like a ruler or colored pencils. *Idea:* Let her fill a basket or box with paper, pencils, a calculator, erasers, and other supplies. She could store her "homework tote" on her desk or carry it to the kitchen table when she does homework.

College Spirit Days for Teachers and Students!

Below you will find the dates for **College Spirit Days**. Students and teachers are encouraged to wear COLLEGE t-shirts, jerseys, or sweatshirts on these dates. We want students to think about their future and to know that college can be a choice for them. (No PROFESSIONAL sports teams, please.)

Students MUST wear uniform dress bottoms. Hoodies are allowed ONLY on College Spirit Days. Basketball 'tank-top' like jerseys need a t-shirt under them! Students participating in College Spirit Days DO NOT have to wear a collared shirt.
